

The Auction of Unlived Years

A masked auction beneath a drowned shrine offers a stolen memory that could free six hundred people from hereditary debt.

Infiltrate the living Archive, win witnesses, prove who owns the truth, and decide what memory justice is worth.

For 4–5 characters of levels 8–10. About five hours of social intrigue, exploration and a consequential final hearing.

A Familiar adventure by bandolek

Includes original maps, editable rules, encounter procedures and player handouts.

The paperback interior includes clearly labeled session-note pages.
